

# Jesus the Glory (F)

by: Arlyn

## Verse 1

Here I am humbly  
Low at Your feet  
I have no angle  
And bring no need  
I've come for the beauty  
Found in Your face  
It has me bubbly  
And bursting with praise

## Chorus 1

I lift my heart and hands  
Break into song and dance  
You are the glory of God's love  
All my strength, (yeah) all I am  
Shouts of life that's found in Him  
All to the glory; Jesus the glory  
You are the glory of God's love

## Verse 2

You were my offering  
A fragrance so sweet  
Oh the pain of the cross  
Oh the peace that You bring  
You hung in my sins  
You bled of my doubts  
Then the last of Your breath  
And Your mercy breathed out

## Chorus 2

I lift my heart and hands  
Break into song and dance  
You are the glory of God's love  
All my strength, all I am  
Shouts of life that's found in Him  
You are the glory of God's love

## Ending

You are the glory of God's love
