

# Lifted (Key of F)

By Arlyn S

## Verse 1

Bb                    Dm C  
My cross was hung in place  
                          F/A    Bb  
When You went for me instead  
                          Dm C  
You stretched out hands of grace  
                          F/A    Bb  
And I was lifted

## Chorus

Bb Dm                    C  
Jesus, You lifted me  
Gm  
Out of the darkness  
Bb Dm                    C  
Lifted, You lifted me  
Gm  
With arms of forgiveness  
Bb                    F                    C  
Your love in dying proof  
                          Dm  
You were on my cross when they  
                          Bb Dm  
lifted You  
                          C                    F/A  
They lifted You, (and) You lifted me

## Verse 2

Bb                    Dm C  
Hell dug my open grave  
                          F/A    Bb  
But they buried You instead  
                          Dm C  
You reached Your hand to save  
                          F/A  
And I was lifted

## Verse 3

Bb                    Dm C  
Sin spoke what I'd become  
                          F/A    Bb  
You became my sin instead  
                          Dm C  
You stretched out hands of love  
                          F/A  
And I was lifted

## Pre-Chorus

Bb                    F                    C  
You conquered death, my enemy  
                          Dm                    Bb  
You won the war on Calvary  
                          F                    C  
What sin had buried You have  
                           
Raised again
