

# Above Our Highest Praises (F#)

Music and Lyrics written by Arlyn Sataneek

Intro: F# - B – F#/A# - B – F#

## Verse 1

B

Full of power and wisdom  
You flung stars

C#sus

In the dark, and named them  
With one breath

G#m

The universe spins  
You measure it all

F#

In the width of Your hand

## Verse 2

B

By Your rhyme and reason  
You wound earth

C#sus

In time and seasons  
You drew lines

G#m

That the tides obey  
And draw our hearts  
With a whisper of waves

## Chorus

B

God You have made us

F#

All of earth and heaven

B

F#

You are above our highest praises

B

Oh how You amaze us

F#/A#

God of infinite greatness

B

F#

You are above our highest praises

## Verse 3

B

With the eyes You gave us  
We see You

C#sus

In Your creation  
Nature claps

G#m

To the beat of Your pulse  
And we join in  
Caught away by the song

## Bridge

B

Author and Maker

F#/A#

Ancient of Days

B

God our Creator

Ebm

C#sus

High above all praise

## Ending

B

Oh how You amaze us

F#/A#

God of infinite greatness

B

F#

You are above our highest praises
