

# Undeserving (A)

Arlyn Satanek

## Verse 1

You saved my soul in an act of  
kindness  
You fill my cup with Your gifts of grace  
I will never pretend to deserve Your  
goodness, no  
But You are worthy of all my praise  
All of my praise

## Chorus

You give me mercy  
I give you glory You're worthy of  
I'm undeserving, and You are worthy  
You give life to me  
Though I still fail You, Jesus  
I'm undeserving, and You are worthy

## Verse 2

Somehow You're making me like You  
more  
Everything I am is from what You gave  
I know I'll never live up to Your love  
and favor, no  
But You are worthy of all my praise  
All of my praise

## Ending

I don't deserve Your love, Your mercy  
and grace  
But You are worthy of all my worship  
And all of my praise  
You sit on the throne, I'm a sinner  
that You have saved  
I'm undeserving, and You are worthy
